

# ¡ EL ALGARROBICO HOTEL: DEMOLITION NOW !

We request of the appropriate administrations the complete demolition of the hotel of El Algarrobico situated in the Natural Park of Cabo de Gata-Níjar. This hotel is illegal since it is located in the C1 Zone, a Natural Area of General Interest, according to the PORN in force published in the BOJA in 1994.

We request that the building be demolished and that the land be restored to its original condition. We request also an investigation of the responsibilities of politicians, public figures, civil servants, and private citizens who have participated and who are those responsible for this monumental illegality.

We remember also that the Natural Park of Cabo de Gata-Níjar is likewise a Place of Community Interest of European Union, and a Reserve of the Biosphere, and therefore this edification destroys a patrimony of all Andalusians and Spaniards and also of all Europeans and citizens of the world, and all of them are invited to sign to express their desire that the environmental laws be enforced and that the hotel be demolished without further delay.
